COVID – 19 Risk Assessments (English centres only)

Hollywood Bowl / AMF Bowling (bowling centres) and Puttstars (mini golf centres)

Version 14. Issued 10th December 2021

Written by Darryl Lewis / Ben Carne.

In advance of reopening our bowling and mini golf centres, a comprehensive review of our operations has taken place and a Hollywood Bowl Group Covid-secure operations protocol has been developed.

It has been written following extensive consultation and incorporates advice from Government, South Gloucestershire Council (our primary local authority) and others. The trade association UK Hospitality has developed and published protocols and guidance which have been incorporated where relevant.

COVID – 19 Risk Assessments (Welsh centres)

Hollywood Bowl / AMF Bowling (bowling centres) and Puttstars (mini golf centres)

Version 14. Issued 21st December 2021

Written by Darryl Lewis / Ben Carne.

In advance of reopening our bowling and mini golf centres, a comprehensive review of our operations has taken place and a Hollywood Bowl Group Covid-secure operations protocol has been developed.

It has been written following extensive consultation and incorporates advice from Government, South Gloucestershire Council (our primary local authority) and others. The trade association UK Hospitality has developed and published protocols and guidance which have been incorporated where relevant.

Operating safely is a matter of trying to eliminate the risk of transmission of the virus and introducing mitigating measures – for the safety of team members, customers and others who visit our bowling or mini golf centres. Please note that local guidelines may differ from this document and must be followed

Our COVID-19 risk assessment is shown below which has been applied to every centre - leading to centre specific risk assessments being created, which are specific to the centre and any localised lockdown

--	--	---	--	--	--	--

		<p>Ensure the compliance to social distancing measure for both team and customers to create a safe environment in centres and Hemel. Capacities, congested/busy areas, people flow, pinch points, queueing areas, signs, markings, screens and appointments have been considered in each centre and Hemel</p> <p>2m Social Distancing The following mitigating factors support 2m social distancing within the bowling centres:</p> <ul style="list-style-type: none"> • Hand sanitiser stations throughout the centre and on / between each pair of lanes • Separate balls for each lane (plain balls and separate football/pool patterned balls). Customers advised when they check-in which bowling balls they should use and POS on the tables reminding them • Sanitising seating, barriers, tables, bowling balls and hand contact points between games • Regular voice overs reminding customers of social distancing measures are in place • Customers will be advised to wear a face covering (unless eating or drinking) by reception staff and Covid Marshalls • Physical barriers at the back of seats at the place where customers will be the closest • Staggering start times so that customers on adjacent lanes arrive at different times, to prevent pinch points • Taped floor dividers that keep lane customers apart 				
--	--	---	--	--	--	--

		<ul style="list-style-type: none"> • Touch screens pre-programmed with customer names when they check in to reduce contact with screens • During off peak periods alternate lanes will always be used wherever possible. Adjacent lanes will only be used during peak trading periods <p>Procedures and effectiveness will be reviewed by the leadership team WEEKLY. Capacities, congested/busy areas, people flow, pinch points, queueing areas, signs, markings, appointments, and effectiveness of screens will be reviewed weekly in each centre and Hemel</p> <p><u>2a. Social Distancing – Team</u></p> <p><u>Team member assessment has been carried out to assess whether they could safely return to the centre. Back to work questionnaires completed.</u></p> <p>Signage has been created for our team back of house to ensure team member are observing social distancing guidelines in team areas</p> <p>Team members to be provided with the following PPE</p> <ul style="list-style-type: none"> • Face shield/mask • Gloves <p>Team breaks will also be staggered to ensure that team members do not have breaks in the team room at the same time.</p>	<p>Training will be given to team on how to wear and maintain their PPE and records kept on Strikes (CPL)</p>			
--	--	--	---	--	--	--
